

United Way Mumbai's Covid-19 response interventions aim to protect those at the frontlines - health workers and those critically affected- daily wage workers.

We are delivering essential equipment and supplies to hospitals as well as the Public Health Departments, to keep our healthcare and ancillary workers safe.

We are also distributing rations & essentials to the families of daily wage earners, persons with disabilities, elderly and other marginalised groups facing economic ruin due to the lockdown

INTERVENTIONS

Health Workers:

- Providing Personal Protective Equipment (PPE) kits, comprising N95 masks, 3-ply disposable masks, surgical caps, surgical goggles, waterproof gown, shoe covers, and gloves.
- Conducting awareness sessions on Covid-19 safety measures with ancillary staff.
- Setting up wall mounted sanitizer dispensers and portable, foot-operated hand washing stations in healthcare facilities.
- Testing equipment and other hospital equipment as requested by various hospitals

Ration & Hygiene kits

- Distributing ration and basic essentials to low income families across Mumbai, Kalyan and Ulhasnagar.
- These kits contain essential daily items for a family of 4-5 persons for one month and includes: Rice (10 kg), Wheat Flour (10 kg), Tur Dal (3 kg), Moong Dal (2 kg), Cooking Oil (3 litres), Salt (1 kg), Sugar (3 kg), Tea Powder (0.5 kg)
- Families are identified, prioritized and reached out to, through our large network of community based organisations.

Till 08.04.2020

- 14 handwash stations
- 4225 N95 masks
- 2800 FPP1 masks
- 2415 PPE kits
